HERITAGE 1975

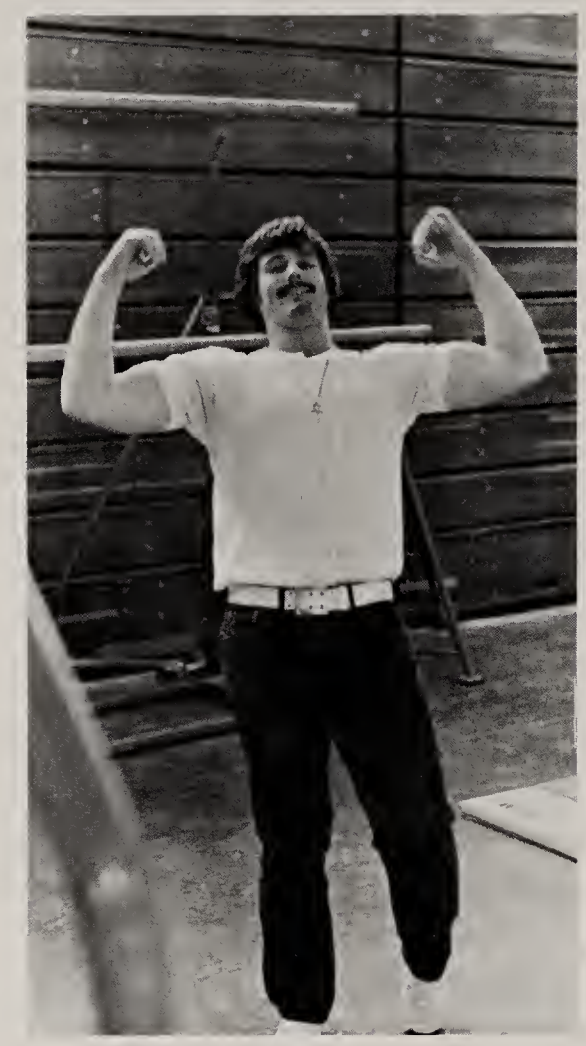

The staff of the Heritage
wishes to dedicate this book
to the memory of

Rev. H. Leslie Moore

in sincere appreciation for the unique contribution
of his service and personality
to the lasting heritage of
Grace College

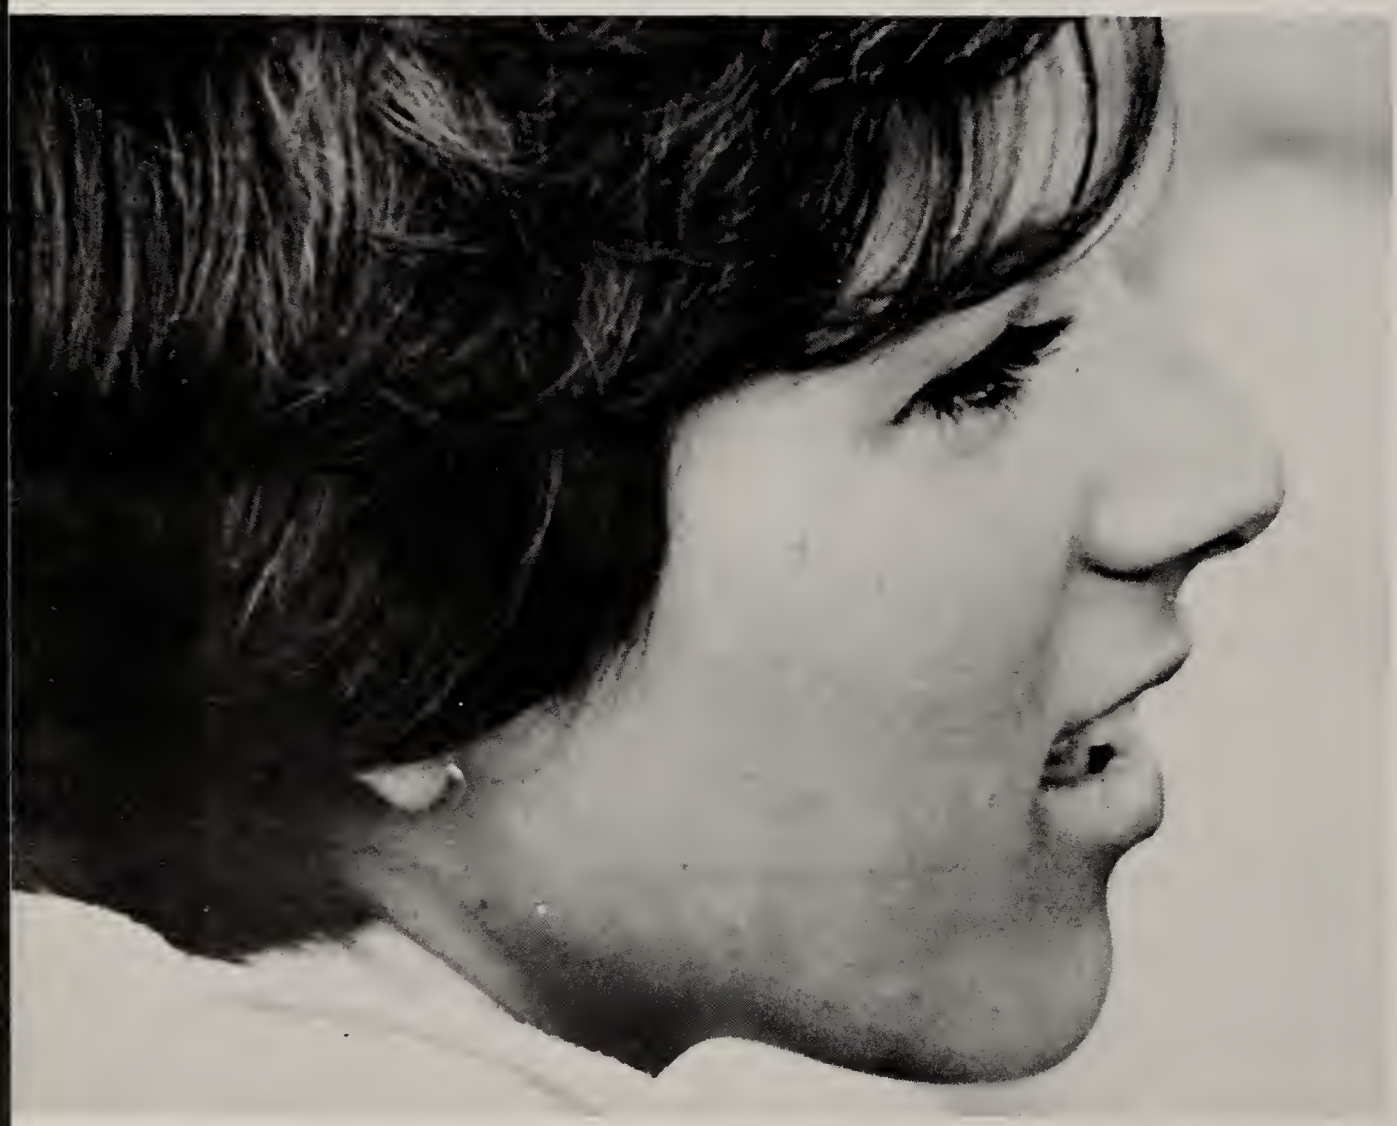

ABOUT THE COVER: The realization of the meaning of Christ's death should awake within us the desire to serve Him to the fullest extent. Romans 6:9-11 — "Knowing that Christ being raised from the dead dieth no more; death hath no more dominion over him . . . Likewise reckon ye also yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord."

This Is Your Book

These Are Your Memories

"Whereby are
given unto
us . . .

exceeding great
and precious
promises . . .

that by
these . . .

ye might be
partakers of the
divine nature . . .

having escaped
the corruption . . .

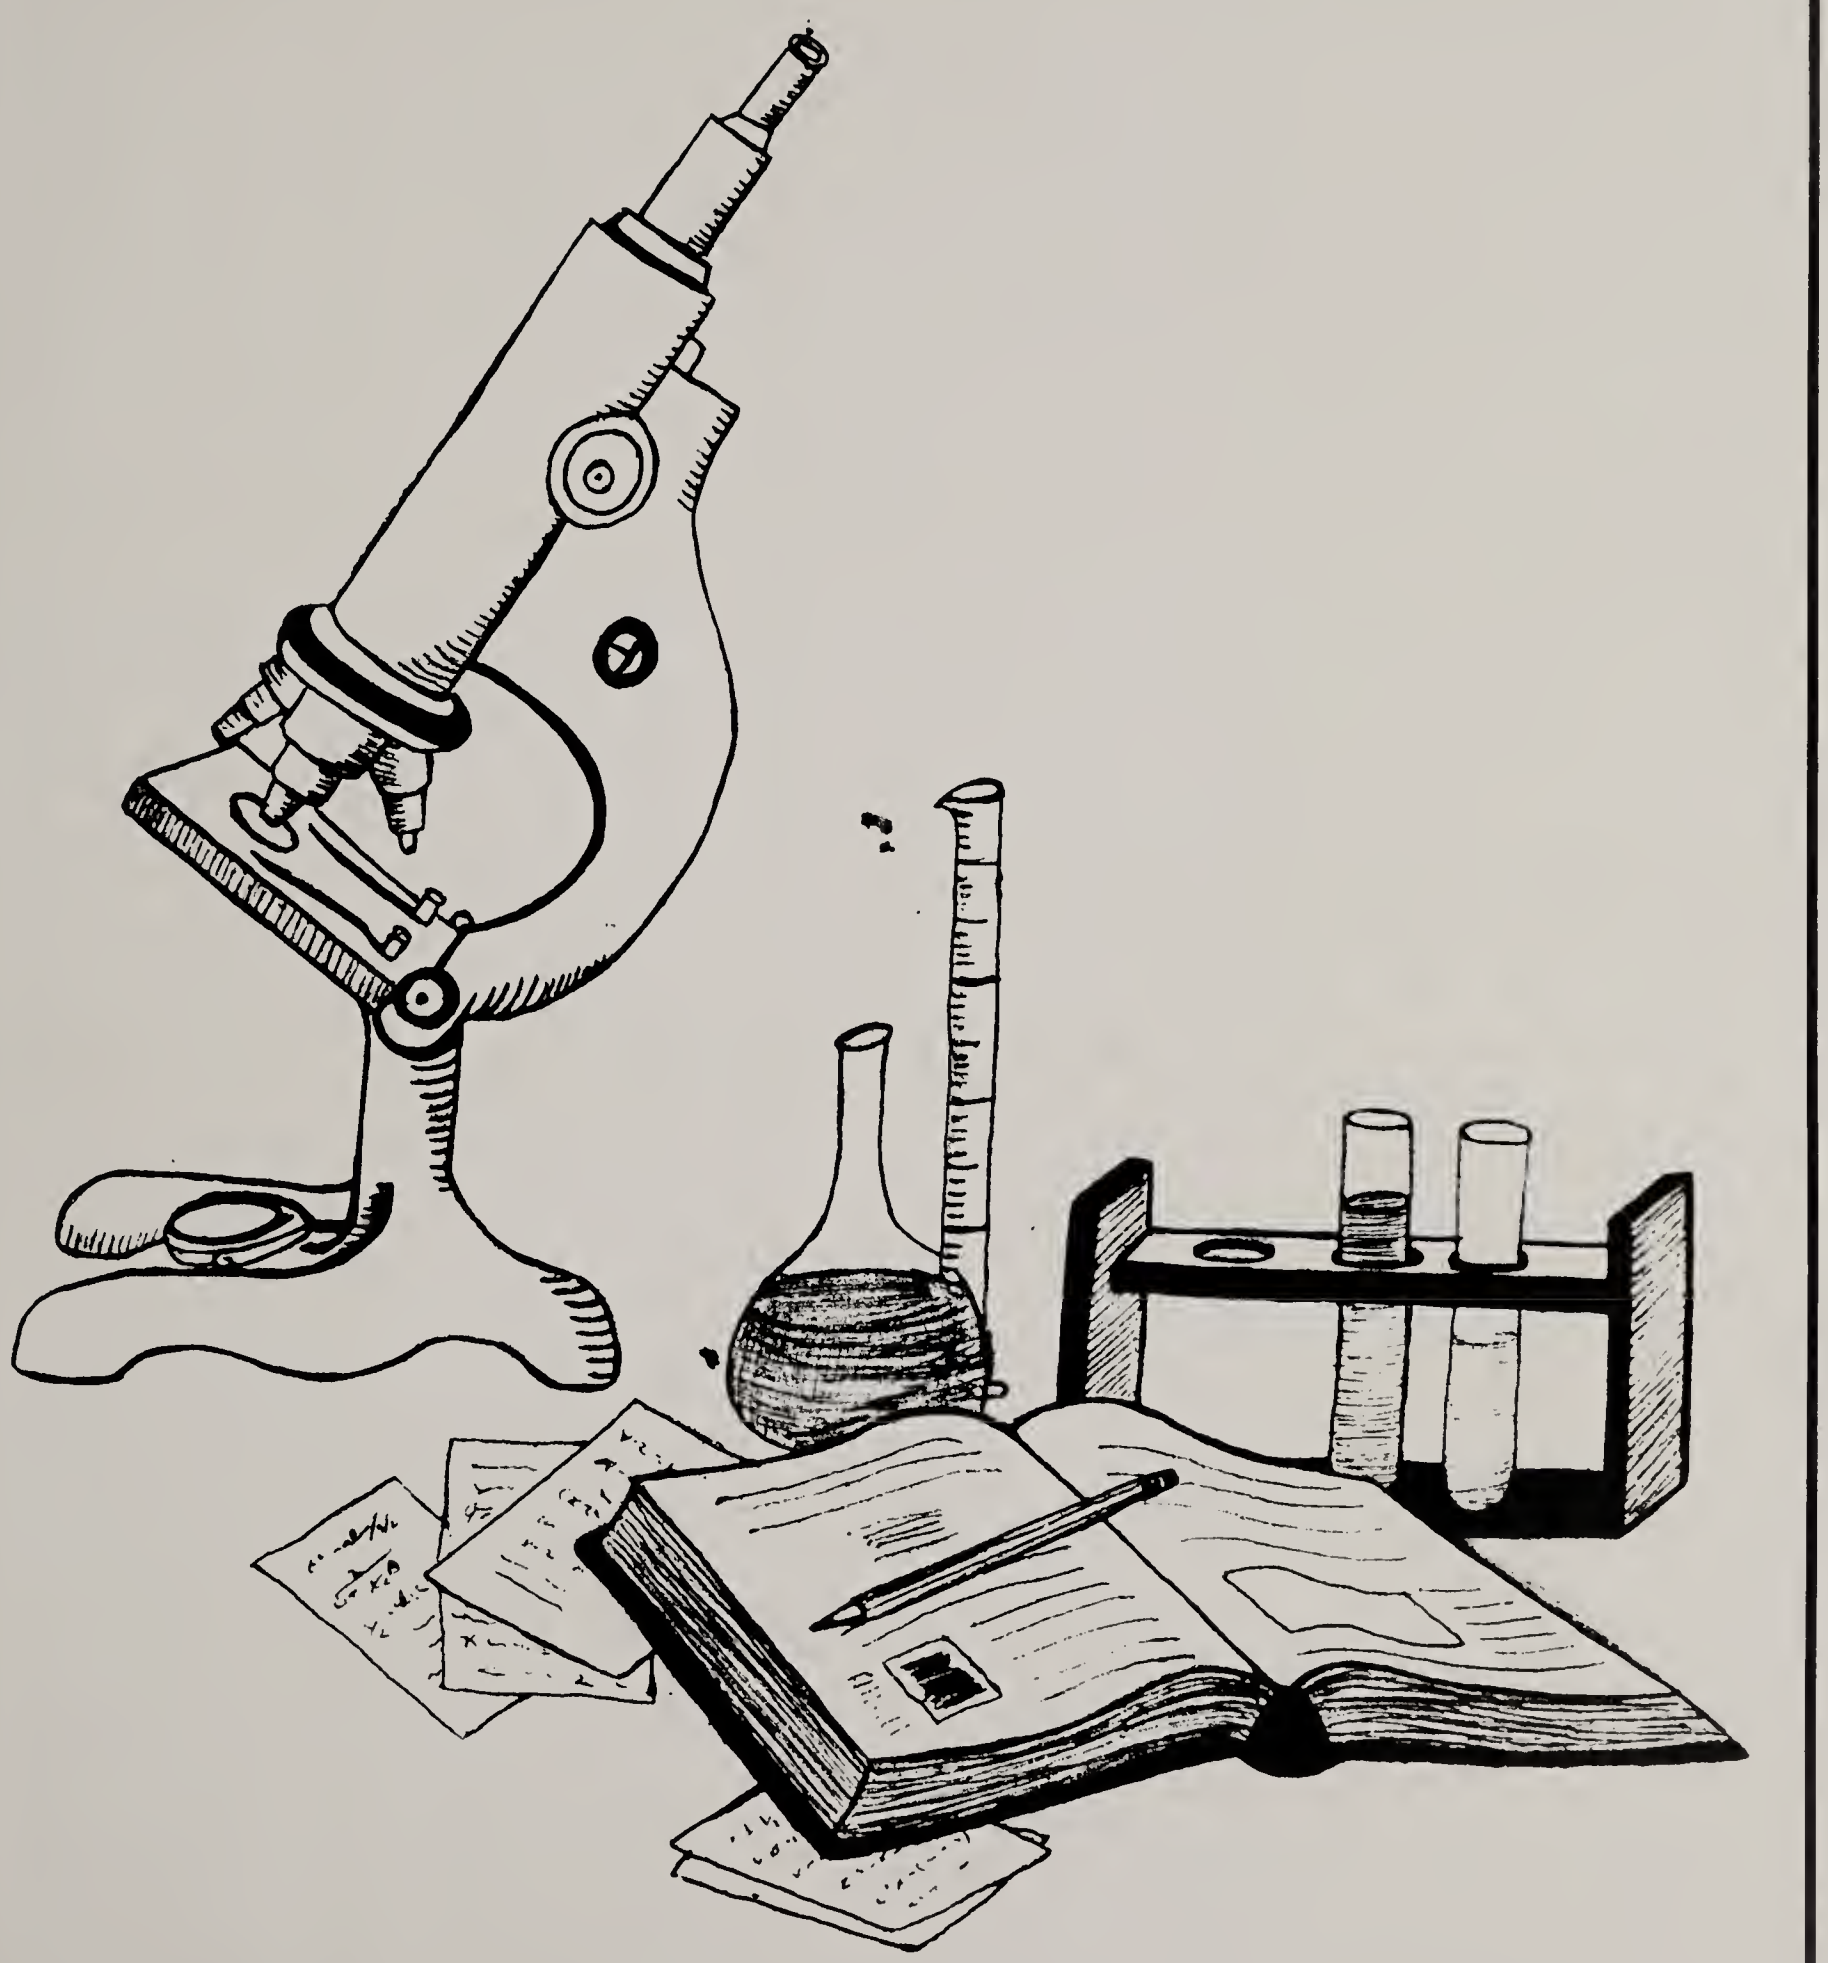

that is in the
world through
lust.

CHOOSE SOMETHING LIKE A STAR

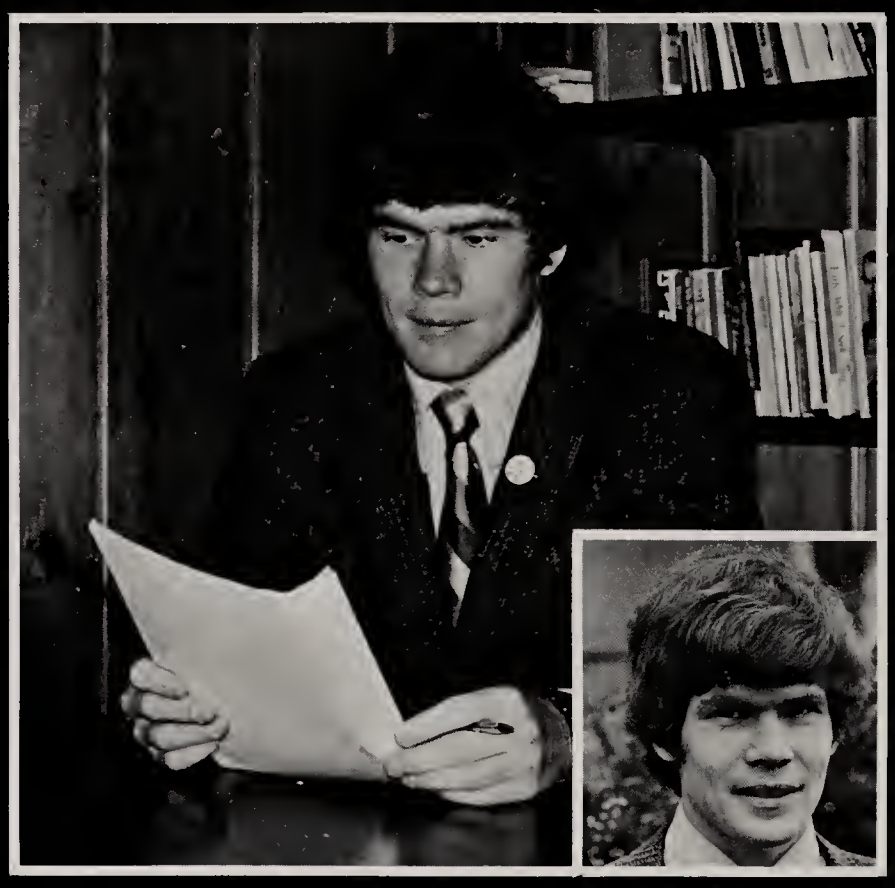

O Star! (the fairest one in sight)
We grant your loftiness the right
to some obscurity of cloud.
It will not do to say "of night,"
since dark is what brings out your light.
Some mystery becomes the proud,
but to be wholly taciturn in your reserve
is not allowed.
Say something. And it says "I burn."
But say with what degree of heat.
Talk Fahrenheit! Talk Centigrade!
Use language we can comprehend.

Tell us what elements you blend.
It gives us strangely little aid,
  but does tell something in the end.
And steadfast as Keats' Eremite,
  not even stooping from its sphere,
It asks a little of us here.
It asks of us a certain height.
So when at times the mob is swayed
  to carry praise or blame too far,
We may choose something like a star,
To stay our minds on,
And be staid.

SPIRITUAL GODLINESS

Grace Missions

"O Jesus, meek and
humble
of heart, hear me.
Deliver me, Jesus,
from the desire of being
loved,
from the desire of being
honored,
from the desire of being
praised,
from the desire of being
preferred to others,
from the desire of being
consulted,
from the desire of being
approved,
from the fear of being
humiliated,
from the fear of being
despised,
from the fear of suffering
rebuke,
from the fear of being
forgotten,
from the fear of being
wrong,
from the fear of being
suspected,
And, Jesus, grant me the
grace to desire
that others might be
loved
more than I,
that others may be es-
teemed more than I,
that in the opinion of the
world others may
increase
and I may decrease,
that others may be pre-
ferred to me in every-
thing,
that others may become
holier than I, provided
that I become as holy
as I should."

awakes anew within us. Rev. H. Richard Cannon, Man of God. What a challenge! We understood his hard times, we loved his humor, but mostly we saw his God. The necessity of striving for the glory that is set before us, becomes eminent as we hear the Word brought forth during this week. Athletes . . .? Bible Conference

Don't say, don't say there is no water, to solace the dryness at our hearts, I have seen . . . The Man on the cross; water springing out of the rock, I find footholds, and climb to drink the cool water. The Man on the cross . . . shading His eyes, frowned as He watched, not because He grudged the water. Only because He was waiting to see us drink our fill and be refreshed. Don't say, don't say there is no water. The fountain is there among its scalloped greens and gray stones. The Man on the cross . . . with His quiet song and strange power to spring water in us up and out through the rock.

Not 'common music,' a DEAD level; but the uncommon music of paradise. Music in which David played to Saul. Not illusion but what Whitman called "the path between reality and the soul." MUSIC . . . excelling itself to be itself. Music, akin to the Light with which at day's end and day's renewal, mountains sing to each other across the cold valleys.

Summer Teams

The evangelistic TIME Team to Argentina consists of Colleen Austin, Peggy Bechtel, Mike Marshall, Viki Cover, Larry Robbins, and Peter Peer. Their main purpose is to encourage all the Argentine Brethren Churches.

After orientation at the Chateau de St. Albain, French TIME Team members Rob Melcher, Karen Walker, Deb Smith, and Becky and Kent Good will learn the culture by staying with French families and missionaries. They will complete their stay with maintenance work at the Chateau.

Also serving under the TIME program are Gary Belles, working with children and helping in mission construction work in Councellors, New Mexico; Karen Mason, summer Bible School work, Clayhole, Kentucky; and Greg Stamm, assisting in youth work in a Kenai, Alaska, church.

Chapel

Jesus, the very thought
of Thee
With sweetness fills my
breast;
But sweeter far Thy face
to see,
And in Thy presence rest.

O Hope of every contrite
heart,
O Joy of all the meek,
To those who fall, how
kind Thou art!
How good to those who
seek!

1Ron Henry at the mike 2The Diminsions in Brass — twenty-nine members strong!

The Unique ministry of Diminsions in Brass was presented in a record 86 sacred and "pops" concerts from Ohio to California this year. Headed by conductor-soloist Jerry Franks, the group's special mission is to represent Grace College by presenting the reality of Christian experience through instrumental music and student testimonies. Emce Ron Henry was always at his impeccable best, whether introducing "Comin' Through," or weaving a tapestry of spiritual thought from song to song in a sacred concert.

He comes in mercy and pardons me.

My blessed Jesus, God's Son is He.

My heart is singing with joy divine.
Say, do you know Him? Is He your Saviour?

Aletheia

Sing! Sing unto the Lord a new song! HIS FOLLOWERS and ALETHEIA are musical groups on our campus who represent Jesus Christ and Grace College throughout the country. HIS FOLLOWERS1 which includes John Cake, Janice Perryman, Ruth Keffer, Nena Beegle and Bob Foote, travelled on the East Coast during the summer of 1974. A ten day trip in the Northwest in the spring of 1975 and concerts in the Indiana area brought their touring to a close. Christi Coldren, Rick Coldren, Becky Kent, Nancy Emch, and Dave Griffith are the members of ALETHEIA2, a newly formed singing group this year. They ministered in the churches of Indiana and will travel extensively on the East Coast during the summer of 1975. Their tour will end with concerts at the 1975 National Brethren Youth Conference.

Concert Choir 1974-75

My God, I love Thee!
Not because I hope for heaven thereby, nor yet because who love Thee not, must die eternally.
Thou, O my Jesus, thou didst me upon the cross embrace.
Why, then why, should I not love thee well?
Not with the hope of gaining aught, not seeking a reward,
But as thyself hast loved me, O everlasting God,
Even so, I love thee, and will love.
Solely because thou art my God, and my Eternal King!

The Thread

Something is very gently
invisibly, silently
pulling at me — a thread
or nets of threads
finer than cobwebs and as
elastic. I haven't tried
the strength of it. No barbed hook
pierced and tore me. Was it
not long ago this thread
began to draw me? Or
way back? Was I
born with its knot about my
neck, a bridle? Not fear
but a stirring
of wonder makes me
catch my breath when I feel
the tug of it, when I thought
it had loosened itself and gone.

Melodies moving downstream A string of barges just lit against blue evening, the fog giving each light a halo. The music of art reaching out and through the man, moving with the river but not adrift, a little faster, perhaps. Or is it slower . . . ? a singing sung quietly with the scored crashing emanates as a hum on a summer night.

It thrusts up close,
It has you off-guard.
You recognize it before

That's it —
That's joy!
It's always a recognition,
The known appearing
Fully itself, and
More itself than one knew,
Marvelous truth, confront

At every turn:
Thrust close your smile
That we may know you, Joy.

Company of Grace

The COMPANY OF GRACE presented "Were You There?", an Easter drama that investigated the personalities and thoughts of individuals closely related to Jesus during the crucifixion. Christi Coldren, Rick Coldren, Nancy Emch, Dave Griffith, Rowland Kisner, Jane Lengyel, Steve Munday, and Becky Pappas traveled to Indiana, Ohio, and Pennsylvania during spring break ministering to churches.

The Doctor

Long hours of rehearsal become longer. Repeated attempts at perfection again are performed. You sweat, you work. That moment of testing draws nearer. And your body is the harp of your soul. You want to harmonize, to sing. Then . . .

in Spite of Himself

. . . the lights, the people beckon you to the stage. You cannot resist; they laugh, they cry, they are there with you, and they hang on every word. With insatiable desire, slowly you speak with the truth of art, the audience listens not to you, but to itself expressed on that stage. The actor is a poet in the dark, playing his music for the world to hear.

On Friday the faces of the alumni again appeared on campus, remembering the good ol' days, walking about, clasping the hand of an old friend, and feeling they had come home. Sing praises unto the Lord, sing a new song to Him. Lift up your voices in joyful adoration. Thank you Father for giving me a reason to sing. Thank you for the beauty of a young woman, a quick smile, eyes that show surprise at being chosen, and love for Thee.

As I entered the soccer field, I wondered if what I saw was soccer or a misplaced game of ice hockey. Through it all we stood and shivered, wondering if waking up was worth it that day; until our team won. Father, Your handiwork shines forth in all that I see ... the cold, wintry breeze ... the laughter of friends ... and the blazing fire that warms my body. Most importantly, I thank you, Father, at this special weekend for Thy Spirit, which warms and comforts my heart.

For the second consecutive year, the Lancers captured the Mid-Central Conference soccer championship. In 1973, a 5-1 conference and an 11-4-1 overall season record were the results of a surprisingly strong soccer squad. But a perfect conference mark of 6-0 and an 11-3 overall record made the 1974 campaign the most successful season in Grace College history. Among the highlights of the year were nine shutouts, fourteen goals scored by opponents (only two in conference play), five players named to the MCC All-Conference team, and coach Terry Shrock named college "Coach of the Year" by Indiana's soccer coaches.

The 1975 edition of Lancer baseball was much more exciting than a 12-16 record would seem to show. The excitement lies in the youth of the club. Only three seniors, Tom Miles, Brad Bibey, and Jeff Cook, will be lost to graduation.

Golf Boasts

In an active season of practice and tough Conference competition, the Golf Team saw an improvement over last year with a 6-16 record, with some of the best scores in the upper seventies. For the first time in three matches, Grace golfers beat Huntington, and in one match finished only four strokes behind IU-PU Ft. Wayne, one of the better teams in the state.

Lots of enthusiasm and pep helped to make one of the best cheerleading squads in the history of Grace College athletics. Although their main emphasis is basketball, the girls also cheered at many of the soccer games and supported the baseball team. Part of their duties included making signs and being an encouragement to the players by praying for them and helping them get fired up.

STUDENT GOVERNMENT

Student Senate and Student Government Executive Board sponsored many events during the past year. As a community service, a food drive was sponsored before Thanksgiving. As a result, canned goods were distributed to the needy people in the Warsaw-Winona Lake area. At the beginning of both semesters a book sale was held for the benefit of students wanting to sell their used books.

Spring semester was highlighted by Americans for America week. The theme this year was, "How Long, America?"

1

Bible quizzing provided a spiritual accent for those participating. The intellectually-minded were also given the opportunity to take part in the College bowl Tournament.

SOCIAL LIFE: TASK OF SAB

Social Activities Board is the third branch of Student Government at Grace — best described as the "fun bunch." Its membership consists of seventeen elected members; chairman, vice-chairman, treasurer, secretary, five social assistants, and a male and female representative from each of the four classes.

The purpose of S.A.B. is two-fold: to coordinate the programs and activities of campus and student organizations, classes, and groups, and to provide different and entertaining programs and socials for the student body.

Trying to please the divergent tastes of the Student Body is quite a task, but with a good, active board, and some creative imaginations, the variety of available entertainment is limitless.

That printed paper in your mailbox every Wednesday — What is it to you? Maybe you prefer the sports page or a feature catches your eye. It may be a hot editorial or news that has some special meaning. You may just glance at the photos and cartoons or cut your name out to send home. Whatever the reasons, you read it — It's your paper.

Jones, B. Hamilton. 2 Guest speaker Mollyann Hufford discusses the important role of the classroom teacher.

The Student Education Association is a group of education majors who anticipate being professionals and thus feel that some extra professional opportunities are required. SEA tries to meet these needs by being a practical organization. The meetings cover areas of interest in the field of education which cannot be covered in the student's classes.

Each meeting begins with devotions and then continues in various ways which include special speakers, panel discussions, and films. Both the elementary and secondary levels are covered.

SEA's main goal is to help the future educator to become more aware of events in his field and to learn more about becoming a successful, professional teacher.

In a nation of basically obese people, there is one organization striving to help correct that problem. The Women's Recreation Association offers a program to help a girl become a better person physically. Intercollegiate athletics such as field hockey, volleyball, basketball, and softball are offered. For those not interested in competitive sports, such activities as hiking and camping are planned. The gym is also opened to girls each Tuesday and Thursday nights for those wanting to use the equipment. The '74-'75 year was under the capable leadership of junior Carol Balsbaugh.

WRA CLUB MEMBERS, SEATED L. to R.: Brenda Wilcoxson (Treas.), Nancy Symons, Jodie Sargen, Cathy Garrick, Mrs. Messner (Adv.) STANDING, L. to R.: Cathy Carter (Sec.), Faye Wagner, Val Lundgren (V. Pres.), Carol Balsbaugh (Pres.)

G-Club

G-Club is an organization whose goal is to promote fellowship among the athletes on Grace campus. Their activities included a Chicago White Sox game, caroling, a day at Pokagon State Park, and helping with the American Cancer Society Drive. They also sponsored a series of chapels with Rev. Forrest Jackson as the speaker. Sponsoring both the fall and spring sports banquets, they rounded out the year by presenting Coach Kammerer with a plaque in recognition of his service to Grace College as a teacher, coach, and friend.

20th Century Affairs

Founded for promoting awareness of events around the world, the 20th Century Affairs Club meets to discuss current affairs. At various intervals filmstrips directed at situations in American society are analyzed in view of existing conditions. Attendence is compulsory for all Social Studies and History majors, but general student participation is encouraged.

CLUB MEMBERS, ROW 1: J. Cake, N. Mason, G. Howell, T. Hofecker, R. Cline, ROW 2: D. Griffith, D. Whitcomb, R. Snider, S. Nelson, Prof. Snider (Adv.).

Alpha Kappa Epsilon

Alpha Kappa Epsilon means "truth and knowledge" of our Lord and Savior. The organization's purpose is to foster a heightened interest in academic excellence among Grace students and faculty. Members must maintain a 3.75 cumulative average for the two previous semesters or have maintained a 3.50 cumulative average for the three previous semesters.

The goal of this year's Spanish Club was to evangelize the Mexicans in Kosciusko county. At the beginning of the year, the club played football with the boys at Maple Leaf Dutch Farms, with testimonies given at halftime. Before the Mexican people left for Texas, a Spanish Christian film was shown to 60 parents and children. After the majority left, Bible studies were held in Mexican homes and at the school. The Club had two parties, one Spanish and one Mexican. They finished their year by selling tacos and enchiladas at the May Day celebration.
